Every tender must be accompanied by a deposit of Rs. 100 in currency notes as earnest money; in default of which no tender will be accepted. Covers containing tenders should be addressed to the Deputy Conservator of Forests, Coorg, Mercara, and duly insured, registered and superscribed "Tender for Ebony."

All tenders received will be opened on the 15th February 1904, and any which arrive after that date will be returned unopened to the Post Office.

Every tender must formulate its bids for each separate lot in the detail statement aforesaid. *No offers per cubic foot, or for one or more specified logs or lump sum bids for two or more lots, or for the whole, will be considered.*

The Deputy Conservator of Forests does not bind himself to accept the highest or any tender. Acceptance will be communicated to the successful tenderer and the earnest money of others will be returned on production of stamped receipts.

A successful tenderer shall remit into the Treasury, through letters of advice which will be supplied to him within 7 days of the acceptance of the tender, a 10 per cent deposit on the value of his purchase; and also the balance (after deduction of earnest money) within 30 days from the date of acceptance. In default of either, the tender may be cancelled, the earnest money forfeited, and a re-sale held at the risk of the defaulter.

Timber which is sold remains from the date of acceptance at the risk of the purchaser, but no removals will be allowed until the payment of the full value.

Re-measurement but not re-dressing of logs is allowed to purchasers, but the Deputy Conservator of Forests will not accept any differences thus brought to notice after removal, or in any case unless the same is proved to his satisfaction. Any accepted differences whether in excess or deficit shall be adjusted by proportional payments or deductions.

For detail lists or particulars applications may be made to the undersigned.

C. McCARTHY, *Dy. Conservator of Forests, Coorg.*
